David Lester Straight, hear-by is filing this Notice of Special Appearance to my status change to *sui juris*, “Fiduciary Expert and Friend of the Court” per the following circumstances and establishment of Practice to re-task my Fiduciary License to serve the **People of The United States of America** as **Loss Prevention co-counsel** for The Government of The United States of America, and Appellant in this matter. ***Reus excipiendo fit actor***

On March 13, 2017 **POTUS** issued a lawful EO 13781 in which President Trump as President of the United States of America, asked for help from the citizenry to assist in the restructuring of the Executive Branch. Citing the *Qui Tam Provision 31 U.S. Code, § 3730(b),(c)*,

I am following said Executive Order in a continued effort to expose these continued assaults upon the court by frauds upon the court through Malfeasance of Office, and Prosecutorial Misconduct/s resulting in multiple Emolument/s Violations.

In order for this Fiduciary to effectively make his Report to the President of the United States of America, per Executive Order 13781 and 13825; we must first define in context, and apply, the following three (3) terms as viewed by the court under the Equal Protections Premise beyond their dictionary definitions as follows:

Emolument/s [*Ad recte docendum oportet primum inquirere nomina quia rerum cognitio a nominibus rerum dependet*] meaning: In order rightly to comprehend a thing, it is necessary first to inquire into the names, for a right knowledge of things depends on their names.

Definition: Any advantage, profit, or gain received as a result of one’s employment or holding of office.

Libel [*Lex punit mendaciam*] The Law punishes falsehood

Definition: A published false statement that is damaging to a person's reputation; a written defamation.

Fiduciary Duty [*Justitia nemini neganda est*] Justice is to be denied to no one

Definition: A fiduciary duty is a legal duty to act solely in another party's interests. Parties owing this duty are called **fiduciaries**. The individuals to whom they owe a duty are called **principals**. Fiduciaries may not profit from their relationship with their principals unless they have the principals' express informed consent. They also have a

duty to avoid any conflicts of interest between themselves and their principals or between their principals and the fiduciaries' other clients.

A fiduciary duty is the strictest duty of care recognized by the US legal system.

Capital Felony Treason by any actor of a foreign state, acting as a public servant, pretending to be government, who denies or deprives, One of we the people of any right given by God, listed or written in any international treaty or any constitution of the United States or of any **one** of the States of the republic.

To prove this, let these facts be submitted to a candid world.
